

'in the know'

'in the know' is a monthly networking and information sharing session that provides a topic expert on what parent/caregivers really want to know.

This is an opportunity to share so that everyone is 'in the know'.

Sessions are provided as a parent information session or a webinar through home internet and group webinar viewings are available in participating communities.

"Video gaming, social media misuse, and other related digital addictions among 8 to 25 year-olds"

presented by Benjamin Wong -

Clinical counsellor with Richmond Addiction Services Society

By briefly presenting the assessment, treatment, and prevention of problem video gaming, social media misuse, and other related digital addictions among 8 to 25 year-olds, this presentation discusses the impact of our technophilic culture on child development, more precisely brain development. Insight on how we can minimize the negative impact our technophilic culture can have on infants, children and adolescents, as well as managing and understanding assistive technologies in education, will be discussed.

Date: Tuesday, May 26, 2015 - Time: 6:30pm – 8:30pm

6:30pm; doors open, 6:45pm; Speaker, discussion & networking
