- and more!

UPCYCLED BOAT BUILD

Make a boat from materials that are destined for the landfill. Boats can be constructed from items that would normally end up in your recycling box. These include materials like Styrofoam, milk jugs, yogurt containers, meat trays, and pop bottles. Boats cannot be bigger than 30 cm wide by 60 cm long.

Entry: 11:00am – 12:30pm

Judging: 1:00 – 1:30pm

Winners announced: 2:00pm

Winners awarded: \$100 Term Deposit from Vancity
